### G.P.O. REPORT TO-DAY

Rossiter Gives Assurance He Will Be Ready.

SPECULATION OVER FINDINGS

lass of Figures Regarding Operations of Big Printery Have Been Compiled as Part of the Records of the Investigation and Will Be Submitted to the President.

The much-discussed Rossiter report on onditions in the Government Printing Office, it is expected, will be in the President's hands by noon to-day.

What will follow is a matter of conjecture in many ways. It may be taken for ranted, however, that the deposed Pub-Printer, Charles A. Stillings, and the iteresting Audit System of New York ity will stay put out, and that recom mendations for an immediate reduction of Crowds of men around the tables running expenses at the G. P. O., in order to minimize the deficit assuredly facing that institution for the fiscal year ending next June, will be included in the

Four Weeks' Job Over.

For nearly four weeks William S. Rositer and his assistant investigators have een plying their probes with the skill nd zeal of vivisectionists. If the G. P. O. nd The Audit System still contain hid nergy or conscientiousness on the part of the Presidential surgeons.

Huge columns of figures and masses of lata have been collected, sorted over, and compiled into statistics. Something like 15,000 words of typewritten explanation will accompany the statistics or their journey to the White House for Presidential consumption.

. Assurance of Report To-day.

Rossiter's personal investigations were completed several days ago. His time three experts on the purchase of supplies and Woman's Relief Corps. under the Stillings and Audit System over to Rossiter in the evening.

also be sent. Copies of this, it is ex- new department commander. ected, will be made public by the Presi-

lent to-night. It now seems certain, although no offimay be personally exonerated, it is the general belief that The Audit System will find itself under the probe of a special commission or in communication with the office of the United States district attor-
